Thank you for your interest in the J Hoffman Properties insurance program. It is written with Great American E & S Insurance Company. Below is a summary of the program. If you have any questions, please feel free to reach out to us. Jake Kirk is the program administrator and can be reached at +1 901-202-8667 or [jkirk@irmlc.com](mailto:jkirk@irmlc.com).

- This program was specifically designed for the rental houses that J Hoffman Properties manages and has been tailored to fit their profile. Thus, in order to qualify for the program, your house must presently be managed by them. If at any time this is not the case, we will have to arrange for an alternative insurance arrangement for you.
- Perils: Special. This is the broadest coverage available, excluding earthquake and flood.
- Valuation basis: Replacement cost. The policies replace any damaged building, without subtracting any amounts for depreciation, provided you rebuild. The alternative valuation basis is called Actual Cash Value, but this should be avoided if possible because it can leave an owner without sufficient coverage to cover losses.
- Limit: We use county property records to estimate the square footage of the building. If this is incorrect, then please let us know. Buildings are insured for \$90 a square foot.
- Contents: No contents coverage is typically provided as most owners have no contents in the building.
- Business income: **\$12,000** loss of rents is included to protect against loss income due to an insurable event.
- Sewer backup sublimit of \$10,000 per location.
- Deductible: **\$2,500** per occurrence.
- Liability: each house has a dedicated \$1mm limit per occurrence / \$2mm in aggregate limit. Thus, any liability losses that occur to other members of the program have no effect on the limits that you will have dedicated to your home.
- **Vacancy: There is no limitation. Theft and vandalism are covered.**
- Additional insureds: the management company as well as any lenders is automatically included as additional insureds on the policy at no extra charge.
- Coverage is contingent on CIS, Services receiving the premium, and no coverage is in force until such premium has been received. Coverage will be effective from the Start Date and run 12 months. You will be contacted at renewal to see if you would like to renew coverage.
